**Scottish Exodus**

by James Hunter

Millions of Scots have left their homeland during the last 400 years, and until now, they have mostly been written about in general terms. Gathering the tales of particular emigrants, drawn from the once-powerful Clan MacLeod, and discovering what happened to them and their families, this history breaks new ground. Based on unpublished documents, letters, family histories, and the author's travels in the company of today's MacLeods, this is a tale of disastrous voyages, famine, dispossession, and the hazards of pioneering on faraway frontiers. But it is also the moving story of how people separated from Scotland by hundreds of years and thousands of miles continue to identify with the small country where their journeys began. **416 Pages, paperback, IPG-1169, \$15.95 USD/\$15.95 CDN + S/H**

**The Scottish World**

by Bruce Kay

"Thaim wi a guid Scots tongue in their heid are fit tae gang ower the world." While others have questioned the self-confidence of the Scots, Kay has traveled the world from Bangkok to Brazil, Warsaw to Waikiki and found ringing endorsements for the integrity and intellect, the poetry and passion of the Scottish people in every country he has visited. 320 Pages, **IPG 3170, \$19.95 USD/\$19.95 CDN + S/H**

## The Celts **NEW!**

For the first time, the story of The Celts is presented in this six-episode set as told by The Celts themselves. The Celts were the first European people north of the Alps to rise from anonymity. Wild and ferocious, they were also romantics and mystics and they shared a family of languages that are now the oldest living tongues of Europe. Their story is one of survival, defiance and creativity often in the face of oppression. **Running time: 303 minutes. KULD2535. \$29.95 USD/\$29.95CDN + S/H.**

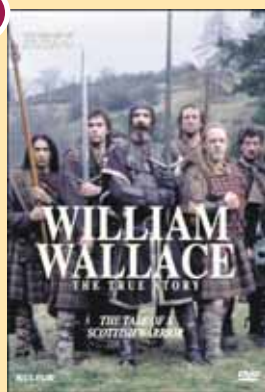

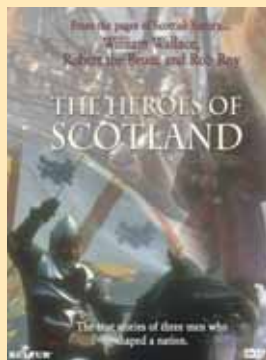

## Lost Treasures Volume 3: The Celts

Long-buried treasures and newly discovered monuments are shedding new light on Celtic society. Classical writers condemned what they saw as the barbarian society - a lifestyle built around rituals, bloody sacrifices and savage fighting. This program reveals, there was a rich sophisticated element to Celtic culture. **Running Time: 50 mins. KULD7095. \$19.95USD/\$19.95CDN + S.H.**

## Heroes of Scotland 3 DVD

This unique box set traces stories of three of Scotland's greatest warriors: **Rob Roy**, **William Wallace** and **The Bruce of Bannockburn**. It features specially-commissioned reconstructions, and re-enactments, dramatized 'eye-witness' accounts, on-location footage and, of course, the rugged beauty of the Scottish countryside. Informative, but always entertaining, *The Heroes Of Scotland* provides an atmospheric and authentic record of three Scottish legends. Running time 150 min.

**KULD-2514. \$49.95 USD/\$49.95 CDN + S/H.** Titles also sold separately. **Titles in this series: William Wallace, Rob Roy, The Bruce of Bannockburn.**

## William Wallace: The True Story **NEW!**

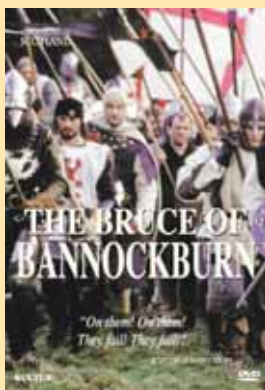

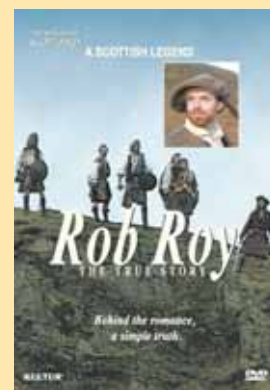

During his short life, William Wallace never faltered in his struggle against the English occupation of Scotland. It was Wallace who, at the head of a small band of men, burnt the town of Lanark and killed its sheriff. He was also the architect of the great victory over the English at the Battle of Stirling Bridge and wrought havoc in northern England. Featuring stunning battle footage plus specially-filmed reconstructions and re-enactments, William Wallace is a powerful new telling

of the story of a genuine Scottish giant. The influence of the mighty warrior can still be felt today. William Wallace is a powerful true account of the life of a man captured forever in the hearts of the proud Scottish people. **Running time: 50 minutes. KULD-7057. \$19.95 USD/\$19.95CDN + S/H.**

## Rob Roy: The True Story **NEW!**

Born Robert Roy Macgregor in 1671, he embarked upon the violent life of an outlaw after the Duke of Montrose seized his lands and his fortune in 1712. As the head of the Highland Scottish clan, he pursued his career as a bandit and the stories of his bravery and courage grew. Although they are largely unsubstantiated, tales abound of Rob Roy's generosity to the poor and oppressed earned him a reputation as a latter day Robin Hood. Featuring stunning action footage from the movie *Chasing The Deer* plus dramatic reconstructions and re-enactments. **Running time: 50 minutes.**

**KULD-7058. \$19.95 USD/\$19.95CDN + S/H.**

## The Bruce of Bannockburn **NEW!**

The stirring tale of a nation's fight for freedom. In a mighty attempt to crush the Scots, King Edward II placed himself at the head of the invasion of Scotland. In their desperate hour of need came Scotland's greatest medieval king, Robert, known simply as "The Bruce." The two forces would meet at a small stream within sight of Stirling Castle - the Bannockburn. The thunderous battle fought there would decide the fate of the nation. Featuring reconstruction and re-enactment footage,

The Bruce Of Bannockburn features superb depictions of the savagery of medieval battle. The ebb and flow of a crucial day in British history is illustrated by the very latest 3D graphics mapping techniques combined with dramatized "eyewitness" accounts of the battle. With extensive original footage filmed in and around Stirling Castle itself, the program provides a unique record of the most celebrated victory in Scotland's history. **Running time: 50 minutes. KULD-7059. \$19.95 USD/\$19.95CDN + S/H.**

**Auld Enemies**  
by **David Ross**

For almost a thousand years, Scotland and England have been neighbor nations. For more than half that time, they were foreign countries to each other, often at war. Three hundred years ago, they joined in a United Kingdom and the new concept of "Britishness" arose. For most purposes, Scots remained Scots and English remained English. 112 pages, paperback. **INT-243-3 \$7.95 USD/\$7.95 CDN + S/H**

**The Forgotten Highlander**  
**An Incredible WWII Story of Survival in the Pacific** by Alistair Urquhart

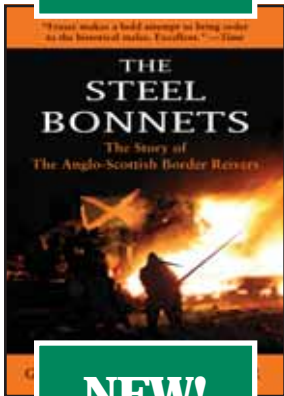

Alistair Urquhart was a soldier in the Gordon Highlanders, captured by the Japanese in Singapore. Forced into manual labor as a POW, he survived 750 days in the jungle working as a slave on the notorious "Death Railway" and building the Bridge on the River Kwai. Subsequently, he moved to work on a Japanese "hell-ship," his ship was torpedoed, and nearly everyone on board the ship died. Not Urquhart. After five days adrift on a raft in the South China Sea, he was rescued by a Japanese whaling ship. He also survived the bombing of Nagasaki being only ten miles from ground zero and much more. 336 pages, hard cover. **SKY1522. \$25.95 USD/\$25.95CDN + S/H.**

**The Steel Bonnets**  
**The Story of the Anglo-Scottish Border Reivers** by George MacDonald Fraser

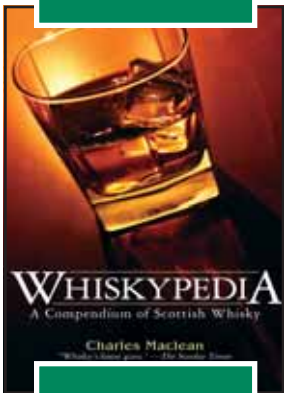

From the 13th to the 16th centuries, outlaws reigned supreme on the contentious frontier between England and Scotland. Feud and terror, raid and reprisal, were the ordinary stuff of life—and a way of survival. Power was held by the notorious border reivers (the "steel bonnets," named for their flashy helmets), who robbed and murdered in the name of family; the famous clans (or "grains")—like Elliot, Armstrong, Charlton, and Robson—romanticized by Sir Walter Scott. 416 pages, paperback. **SKY2656. \$14.95 US/CDN \$14.95 + S/H.**

**Whose Turn for the Stairs?**

by Robert Douglas  
 It is a work of fiction. That should mean that these people and their street never existed. Yet I knew them. And if you were around in the '40s and '50s, so did you...Their world is not perfect: there is poverty, bigotry, heartbreak and lies;

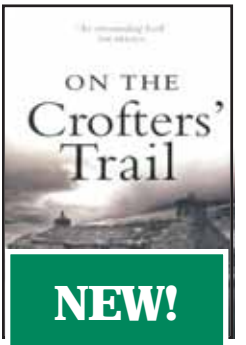

sometimes death. Money is short. Yet not hope, and there is a great strength of spirit aided and abetted by the sound of laughter coming from the close. A time and place particular to Glasgow, but to which everyone will relate. 407 pages, paperback. **IPG-8926. \$12.95 US/\$12.95 CDN + SH.**

**Whiskypedia**  
**A Compendium of Scottish Whisky**

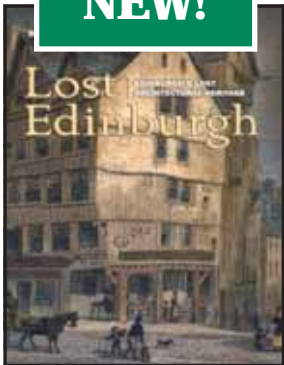

by Charles MacLean, Photographs by John MacPherson  
 Individual distilleries give their whiskies unique characteristics. These characteristics do not arise magically (as was once thought), nor are they the result solely of the region (as is still thought, by some). They have their roots in the craft and custom of the distillery and of the district in which it is located, but the key influences upon flavor are the distilling equipment itself, how it is operated, and how the spirit is matured. For the first time, *Whiskypedia* explores the flavor and character of every malt whisky distilled in Scotland with reference to how it is made. 352 pages, hard cover. **SKY0761. \$17.95 USD/\$17.95CDN + S/H.**

**Lost Edinburgh**  
**Edinburgh's Lost Architectural Heritage** by Hamish Coghill

From Edinburgh's mean beginnings, it went on to attract some of the world's greatest architects to design, build and shape a unique city. Over time many of those fine buildings were destroyed, some simply collapsed with old age and neglect, and others were swept away in the 'improvements' of the 19th century. Yet more fell to the developers' swathe of destruction in the 20th century. 260 pages, hard cover. **INT-3099. \$25.00 US/\$25.00CDN + S/H.**

**Lost Glasgow**  
**Glasgow's Lost Architectural Heritage** by Carol Foreman

This beautifully illustrated book traces Glasgow's history through buildings which have been demolished, but which played a central part in the city's story. Beginning with the Medieval age, the book is comprised of four parts spanning more than 8 centuries: the Medieval town; from Reformation to the Act of Union; the Merchant City, and finally the Victorian Age. 210 pages, paperback. **INT-2788. \$19.95 USD/\$19.95CDN + S/H.**

**The Reivers**  
**The Story of the Border Reivers**

by Alistair Moffat  
 Whenever anyone mentions 'Reiver', no one hesitates to add 'Border'. It is an inextricable association, and rightly so. Nowhere else in Britain in the modern era, or indeed in Europe, did civil order break

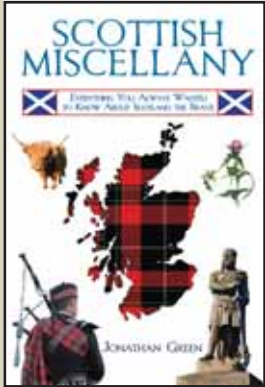

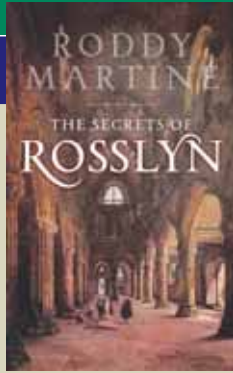

down over such a wide area, or for such a long time. From Dumfriesshire to the high wastes of East Cumbria, from Roxburghshire to Redesdale, from the lonely valley of Liddesdale to the fortress city of Carlisle, swords and spears spoke while the law remained silent. Fierce family loyalty counted for everything while the rules of nationality counted for nothing. 321 pages, paperback. **INT-6748. \$18.00 US/\$18.00CDN + S/H.**

## Made In Scotland

### Household Names that Began in Scotland

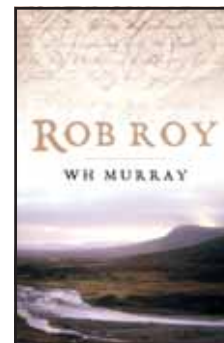

by Carol Foreman

Of the wide range and diversity of British products that are now household names, both at home and abroad, the Scots can take pride in the fact that many of them began in Scotland. When people first spread Robertson's Golden Shred Marmalade on their toast, it was by courtesy of a Paisley man, James Robertson. How would the housewife have thickened her sauce without corn flour, first produced in Paisley by Brown & Polson in 1854? Pringle of Hawick gave the world the first knitted twin-set; J & P Coats of

Paisley, whose origins go back to 1830, grew into the largest thread manufacturer in the world, and the UK's number one comic, *The Beano*, was born in Dundee. 159 pages • illustrations throughout. **INT-7257 • paperback • \$20.00 USD/\$20.00 CDN + S/H**

## Rob Roy

by W.H. Murray

Rob Roy Macgregor, Scotland's most romantic, elusive hero, was an outlaw and a life-long enemy of Montrose. So well-known was he that no one thought to write down a physical description of him, or any direct record of his childhood and youth. Tracking down Rob Roy today is to embark

upon a search through archives, estate records and folk myths, enriched and confused by the romantic yarns that have grown up around him. The author shows that Rob Roy's renown stems from his remarkable force of character, rather than his politics or his place in the writings of Sir Walter Scott. His political mission outwardly failed, but his extraordinary resolution in adversity has earned him his place in history and legend.
